STRAIGHT FROM THEIR MOUTHS

Our corporate customers always have great things to say about us....because our business is serving their business.

I call Melinda and tell her how many people, what day and time, the place and if we need any wait staff and forget about it. The food is always delicious and on time. What more could anyone ask for in a catering company?

JIM MERTES
PORTER PIPE

I love using Buona for my catering needs because they are always on time, their food is excellent quality and exceptional value and they will accommodate whatever special dietary request you may have. For example, there was a gluten-allergic person for the lunch I ordered and the friendly staff at Buona was able to tell me which food items would fall into the gluten-free category. Buona is excellent and I can ALWAYS depend on them all the time every time.

CINDY PARK
GLAXO SMITH KLINE

We have ordered our past Christmas lunches and special occasion lunches from Buona Beef. Our employees love the food. It is our way of saying Thank You to our employees treating them to Buona Beef. We think Buona Beef offers a great variety of dishes to serve. The service and set up is always on time and extremely polite. Buona Beef is very easy to work with when ordering for a large group of people. Your food is the best ever! Thank You for the Great Service.
